Acknowledgement of Country

We acknowledge the Traditional Custodians of the land on which St Joseph's College stands, the **Bullongin people**, known as the River people, and the **Kombumerri people** are the traditional Aboriginal custodians of the Gold Coast coastline, ranging from the Coomera River to the Tweed River and inland. As part of the Yugambah language region, they are known as "Saltwater people".

We honour their deep and continuing connection to the rivers, waterways, land and skies of this region - a connection sustained for countless generations through culture, story, language and custodianship.

We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples within our College community.

As a Catholic community inspired by faith and justice, may we walk together in the spirit of reconciliation - learning from the wisdom of the First Peoples of this land and committing ourselves to truth, respect and right relationship.

Reconciliation Prayer: Source: (*Wontulp Bi-Buya Indigenous Theology Working Group 13 March 1997 Brisbane, Qld*)

Holy Father, God of Love, You are the Creator of all things.

We acknowledge the pain and shame of our history and the sufferings of Our peoples, and we ask your forgiveness.

We thank you for the survival of Indigenous cultures.

Our hope is in you because you gave your Son Jesus to reconcile the world to you.

We pray for your strength and grace to forgive, accept and love one another, as you love us and forgive and accept us in the sacrifice of your Son.

Give us the courage to accept the realities of our history so that we may build a better future for our Nation.

Teach us to respect all cultures. Teach us to care for our land and waters.

Help us to share justly the resources of this land. Help us to bring about spiritual and social change to improve the quality of life for all groups in our communities, especially the disadvantaged.

Help young people to find true dignity and self-esteem by your Spirit.

May your power and love be the foundations on which we build our families, our communities and our Nation, through Jesus Christ our Lord.

Introduction

Because wherever a child or vulnerable person is safe, there you serve and honour Christ.

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

St Joseph's College, Coomera, is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows St Joseph's College, Coomera to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

The Archdiocese has zero tolerance for all forms of abuse and is committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

Safeguarding Focus Areas

The 10 standards are grouped under four key focus areas:

The Universal Principle

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

Cultural Safety Indicators

- 1 Transformational unlearning** – Organisations must challenge unconscious bias, racism, and discrimination within their structures and workforce.
- 2 Negotiating values, motivations, and paradigm** – Policies and programs should be co-designed with Aboriginal and Torres Strait Islander communities to reflect their perspectives on child safety.
- 3 Prioritising social and emotional wellbeing and health** – A holistic, strengths-based approach must be adopted to support the wellbeing of Aboriginal and Torres Strait Islander children, staff, and families.

The Cultural Capability Framework

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture¹

Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

What Standard 1 looks like at our school:

BCE's school safeguarding storybooks and animation series help explain our policies, processes and key safeguarding concepts to students in age appropriate ways. We also support schools to deliver Consent and Respectful Relationships Education so students understand their rights, identify trusted adults, and build positive, healthy and respectful relationships. Each year, students across all BCE schools are invited to share their views through the *Tell Them From Me* survey. This feedback helps us understand how students are feeling, their concerns and how we can strengthen safety and support in our schools. Our Student Voice Program gives students a platform to contribute to BCE wide decisions affecting their safety, wellbeing and learning. Our Archdiocesan First Nations Student Representative Council and our Aboriginal and Torres Strait Islander Education Team help co-design culturally safe policies and practices.

We also make sure families and community members have clear, accessible information about our safeguarding approach and how to raise concerns. Our recruitment and screening processes embed safeguarding at every stage, from role design and advertising through to interviews, reference checks, onboarding and performance development. The Employee and Volunteer Screening Procedure includes a role risk matrix, Blue Card screening requirements and clearly defined responsibilities. These help leaders identify potential risks to student safety and wellbeing and respond appropriately. BCE's Human Resource Information System, Ignite, operationalises these procedures and helps employees monitor and maintain their safeguarding screening requirements. Our Procurement Procedure requires all external providers engaging with BCE offices or schools to be child safe and compliant with relevant legislation. Every year, BCE employees complete online student protection training covering indicators of child harm, grooming behaviours, how to respond to disclosures and mandatory reporting requirements. School staff also participate in additional face to face training each term on topics related to student safety and wellbeing. Staff who serve as Student Protection Contacts (SPCs) receive advanced training in managing disclosures and supporting colleagues to keep students safe. We take a holistic, strengths-based approach that recognises all dimensions of a child's wellbeing – physical, social, spiritual, emotional and cultural. Building plans are reviewed with a focus on environmental risks that may affect children's safety. The BCE Health, Safety and Wellbeing (HSW) Policy and BCE Safeguarding Guidelines for School Design provide practical guidance to build safe, inclusive spaces with strong visibility, supervision and access control. To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P–10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. Policies such as the Employee Code of Conduct, IT Acceptable Use Policy and Privacy Policy outline expectations for safe online behaviour. Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved⁹

Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

What Standard 9 looks like at our school:

St Joseph's College, Coomera demonstrates an ongoing commitment to continuous improvement in child safeguarding practice (Standard 9). Regular meetings between the Principal and Heads of College (Primary and Secondary) are used to review safeguarding and wellbeing data, identify emerging trends, and agree on actions to strengthen practice.

To build shared understanding and capability, the Principal and Heads of College (Primary and Secondary) attended Term 1 professional learning focused on Standards 1, 9 and 10 at Assisi College on Tuesday 10 February 2026.

Following any child safety or wellbeing complaint, the school undertakes a structured review and debrief process through the regular phase-based Multi-disciplinary Team approach to reflect on what occurred, evaluate the effectiveness of the response, and determine improvements to systems, processes and support.

In the Primary phases of learning, Student Support Team meetings occur fortnightly to review students at risk and vulnerable students, monitor support plans, and adjust interventions as needed.

In the Secondary phases, Pastoral Leaders (PLs) meet fortnightly to review students at risk and vulnerable students, monitor support plans, and adjust interventions as needed.

Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children¹⁰

Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

What Standard 10 looks like at our school:

St Joseph's College, Coomera embeds child safety and wellbeing into everyday practice by creating a culture where safeguarding is understood, visible and reinforced across the school (Standard 10). Policies are regularly reviewed and accessible to students, families, volunteers, staff and the broader community through the college website.

Our Uniform Policy supports the Standards by prioritising student safety, wellbeing and best interests. It is written in clear, accessible language and recognises the importance of cultural safety. The policy has been reviewed in 2026 and the school is implementing changes, with consultation embedded both in the original development and through ongoing implementation processes.

SJC leaders maintain active oversight of student safety and wellbeing in daily school life. The Leadership Team regularly visits classrooms and then highlights and reinforces the positive safeguarding practices observed through feedback shared at subsequent staff meetings, strengthening consistent expectations and a shared safeguarding culture.

To strengthen student voice and participation in matters impacting safety and wellbeing, SJC is establishing a Student Representative Council to ensure student feedback is gathered and informs school improvement. In 2026, SJC is also developing a Staff Wellbeing Framework as a subcommittee of the WHS Committee to support a safe, healthy and sustainable workforce as a key enabler of child safe practice. Cultural safety is being strengthened through the establishment of a Reconciliation Action Plan (RAP) Working Committee and the appointment of an Aboriginal and Torres Strait Islander Liaison Officer to lead this work and support culturally safe practice across the school community.
