Conditions Relating to Textbook Hire (Middle / Senior Years)

St Joseph's College operates a "Text Hire Scheme" for both print books and access to digital resources. These are the terms and conditions to which you agree, when your child hires any items from the College's hire scheme, in either print or digital form.

Students are issued with the textbooks/resources at the commencement of the school year or as required during the year, in either print and / or digital form:

- Students will be responsible for **ALL PRINT AND DIGITAL TEXTS AND EQUIPMENT** issued in their name via the textbook hire scheme. **Full replacement cost** will be expected for any **damage, loss or theft of print items or equipment**.
- All books and equipment on hire must be returned to the College **BEFORE** the student leaves school each year. Any print books or equipment that have been lost, stolen or damaged beyond what is deemed reasonable wear and tear will be charged to the family and requested to be paid for in full before the student leaves the school.

Any student with print books or equipment outstanding from the previous year will be ineligible to borrow from the hire scheme, until all outstanding responsibilities have been met.

All students are responsible for the digital versions of text books and must remove these from their digital devices at the end of each school year.
